Eternity to Pre-Hadean				<i>1.1.0.1.4</i>	Wonders of creation are outside the realm of modern science	10																										
Pre-Hadean to Mid-Archaeon				2.0. Eon of Early Development																												
Pre-Hadean				2.1. The Universe Formed - The Heavens																												
Pre-Hadean				2.1.0.	The beginning of Universe was a specific event, the beginning of time, space, matter and energy.		6b-7		1c																							
Pre-Hadean				2.1.0.1.	The Universe had a beginning. It has not existed forever.		7d		1c																							
Pre-Hadean				<i>2.1.0.1.1.</i>	The Universe did not spontaneously generate itself.		9a	7d	1a-1d																							
Pre-Hadean				<i>2.1.0.1.2.</i>	Creating was done by God.		8	9a	7c	1a-1d	3a-e																					
Pre-Hadean				2.1.0.2.	It happened a long time ago		8a/	7c	1a-1d	3a-e	16a/17a	4d																				
Pre-Hadean				2.1.0.3.	Light was one of the first things to come into existence (Light existed from the "beginning")																											
Pre-Hadean				2.1.0.3.1.	Light had a beginning. It has not existed forever.																											
Pre-Hadean				2.1.0.3.2.	Light had a beginning from nothingness																											
Pre-Hadean				2.1.0.4.	The beginning of Universe was an explosive event (big blast.)		7d																									
Pre-Hadean				<i>2.1.0.4.1.</i>	The bible describes it as a "Great Blowout."		7d																									
Pre-Hadean				2.1.0.4.2.	Modern science refers to it as a "Big Bang" (or Big Bounce.)		7d																									
Pre-Hadean to Present				2.1.0.4.3.	From then on time, space, matter and energy of the universe existed		7d																									
Pre-Hadean to Present				2.2. The Expansion of the Universe																												
Pre-Hadean				2.2.1.	Then there was the expansion of the universe.		8a/	7b																								
Pre-Hadean				2.2.2.	Then water became abundant in outer space		8b/																									
Pre-Hadean				2.2.3.	Then stars came into existence		9b	7a		1d																						
Pre-Hadean				2.2.4.	Then the Sun came into existence					1d																						
Hadean				2.3. The Development of the Solar System - The Chambers of the South																												
Hadean				2.3.1.	Then the solar system developed																											
Hadean				2.3.1.1.	The earth and other planets developed.		9c	6b		1d																						
Hadean				2.3.1.2.	The planets are chambers for storage of water to moderate the cycle		9c																									
Hadean				2.3.1.3.	Water had accumulated in solar system		8b/																									
Hadean				2.3.1.4.	Before life on earth																											
Hadean				2.3.2.	Then hydrologic cycle (water cycle) developed in outer space of the solar system.																											
Hadean				2.3.2.1.	That outer space hydrologic system is permanent
